

CALDERDALE CAMHS REFERRAL PATHWAY

The CAMHS First Point of Contact offers telephone support, consultation, signposting information, and referral advice. The service can be used by anyone who works with a child/young person - ideally a professional who knows the CYP/family well.

If concerned about the emotional/mental health of a young person then phone the First Point of Contact on **01422 300 001**
see www.calderdalecamhs.org.uk for further information

FIRST POINT OF CONTACT (FPoC) REFERRAL PROCESS:

1. Refer to FPoC (If unsure about suitability of referral call the FPoC to discuss young person first)
2. FPoC to gather information from CYP/family & other professionals
3. Referral outcome communicated to YP/family & referrer
